teaching approach and training to provide knowledge and inculcate effective decision-making skills in the students.

Vision and Mission statements

(Vision statement typically indicates aspirations and Mission statement states the broad approach to achieve aspirations).

The Vision and Mission of TIMSR are as follows:

Vision

To emerge as a **world class** management institute imparting **multifaceted management training** with a passion for excellence

Mission

- To inculcate an attitude of **continuous learning**, **strong social commitment** and **ethical values** in the students
- To provide an enabling environment for **nurturing mindful leaders** and **entrepreneurs**

The highlighted words capture the spirit of TIMSR

World Class: TIMSR relates 'world class' towards its approach to inculcate in its students an attitude of continuous learning of management education by providing world class teaching infrastructure, by experienced faculty members providing multifaceted training and by instilling values through social activities. Its excellent environment speaks through its global outlook and a thoughtfully designed infrastructure to nurture mindful leaders.

Multifaceted Training: The institute offers various courses, training programmes, bridge courses, guest sessions, field visits, internships, live projects, global immersion programmes, etc. in association with industry & academic partners to foster all-round development and excellence.

Continuous Learning: All academic and co-curricular activities have a continuous learning approach. The system of Continuous Evaluation has been implemented to keep a tab on the learning of students and to take remedial measures where necessary.

Social Commitment: A sense of social responsibility is added in the new-age managers and leaders through various courses such as Corporate Social Responsibility, Change Management and Environment Management and the myriad co-curricular activities that are taken up by students under the aegis of 'Social Responsibility Cell' that conducts year-round activities for upliftment of neighbouring community and society in tune with the institutional values.

Ethical Values: The future of management and business can be sustained on long term basis only if business is carried out in an ethical and responsible way, these aspects are imparted through the course such as 'Business Ethics.'

Mindful Leaders and Entrepreneurs: Mindfulness is the balance of 'Whole Self' - Mind, Body, Emotion & Energy and is fostered through breathing exercises by way of Daily Mindfulness Sessions (DMS) and also Hourly Thought Traffic Control (HTTC).

Critical thinking, creativity and innovation are facilitated through embedded courses and experiential learning initiatives such as Entrepreneurship Labs and dedicated Incubation Centre through the TIMSR Centre of Entrepreneurship and Innovation (TCEI)

The institute focuses on value-based education and aspires to create mindful leaders who will be able to transform the leadership landscape and elevate the current consciousness of businesses and society.

PROGRAMMATIC ADVERTISING

Programmatic advertising is the process of buying and planning ad inventory in real-time through an automated bidding system.

WHY BRANDS SHOULD USE PROGRAMMATIC ADVERTISING ?

Transparency

Real-time measurement

Greater efficiency

Greater targeting capabilities

Increased audience reach

DOOH MEDIA

Digital Out of Home ads can be targeted to reach specific audiences, but the criteria used are more environmental than personal, leading to relevant advertising that doesn't cross a line into intrusion.

Compatibility

Accurate Target

Ad-Context

Diversity of Ad Formats

MOBILE ADVERTISING

Mobile ads are 30 times more effective than any other form of advertisement & 70% of internet traffic is derived from Mobile, it targets customers in the right place at the right time and it's best to drive conversions.
