Chairman's Message

"Thakur Education Group (TEG) is committed to providing education that equips students with essential skills and qualities for success in the evolving workplace. We strive to cultivate not only academic excellence but also soft skills, creative thinking, teamwork, leadership capabilities, and a deep sense of human consciousness among our students. We complement academics with ample opportunities to students for national and international industry exposure. At our institutes, we ensure that we offer our students an intellectually stimulating and fulfilling environment. Our aim is to prepare our students for the challenges of the corporate world by fostering management knowledge, flexibility, and an

understanding of the societal context. We truly appreciate your collaboration and contribution in driving and shaping the careers of our students."

V. K. Singh

CEO's Message

"At our institute, we are focused on providing the highest quality of professional education to our students, preparing them for a global career. Along with academics, we emphasize the development of transversal skills in students, applying cutting-edge technologies and most importantly contributing towards uplifting society as global and socially responsible citizens. We ensure a seamless integration of academics with industry. With our valuable partnerships with industries and institutions worldwide, our students have had the opportunity to prepare and pave their career paths towards global professional excellence. We look forward to your continued collaboration and phenomenal support to

enable our students to launch themselves successfully into their careers."

Karan Singh

Director's Message

"In an era of rapid technological advancements and shifting global trends, the future of work is constantly evolving. To prepare the students for the challenges and opportunities that lie ahead, we believe in providing holistic development of students, leading to employability, and nurturing human values in them.

Established in 2002, TIMSR has a legacy of delivering world class multifaceted management education. Along with a robust curriculum prescribed by University of Mumbai for Management studies, our students get opportunities for internships, certifications, Live Projects, Industry SME sessions, Industry Tours, participation at Corporate Events and Seminars, CSR Projects, Alumni Sessions, 1 -1 mentoring sessions, and an array of trainings and certifications. Our industry partnerships, vast alumni network and collaboration with national and international academic and economic institutions provide our students with a global industry experience. Our value-based education aspires to create mindful leaders who will be able to transform the leadership landscape and elevate the current consciousness of business and society.

We cordially invite you all for our Final Placement and Internship season and look forward to addressing your business requirements at our campus. We look forward to the industry to join hands with us to nurture and nourish leaders that are relevant, resourceful, and ready to address the requirements of the industry and society across the globe."

Dr. Pankaj Natu

Ph.D., M.B.A., M.A., F.D.P.M.(IIM-A)

Deputy Director's Message

"At TIMSR, we are committed to nourishing and nurturing talent to be resourceful, relevant and ready for the future. Our MMS program provides the right balance of academics, industry orientation and self development for the student. The curriculum focusses on developing students in core management domains, career oriented skills and imbibe in them the attitude to be socially responsible citizens of the country. TIMSR has national and international partnerships, a vast alumni network and collaborations with industry and industry

associations to enrich students exposure to career opportunities. With your active participation, we look forward to the successful final placements of our students."

Dr. Rekha Singh

Ph.D, M.Phil, MBA, MA, EPHRA (IIM-L)

Placement Head's Message

"In times where job roles are being transformed by technology, there is greater emphasis on digital skills, creativity, persuasion, collaboration, problem-solving, adaptability, and emotional intelligence. At our institutes, we focus on holistic development of students with a robust industry-oriented curriculum that includes core domain, specializations, emerging trends and concepts, self-management through our experiential learning pedagogy.

For a career and industry oriented student development, we focus in proactively engaging the Industry with activities such as Certifications, Corporate Trainings, Live Projects, Pre-Placement Simulation Sessions, Industry Leaders sessions, Industry Tours, Industry Emergent Trends and SME Sessions, National / Global Event Analysis sessions, participating in Corporate Events and Seminars, CSR and Sustainability Projects, Alumni Sessions, organizing and participation in Corporate Events, Seminars, Research Conferences and Domain specific Conclaves. We have 'Masterclasses' and 'Learning with Legends' sessions conducted by industry leaders for our students and faculty to understand and address the emerging trends and global management concepts that are prevalent in the industry. Our faculty are also involved with the industry through internships, joint market research, consultancy assignments and management development programs.

Last academic year, we had placements and internships for our students from industries such as BFSI, Real Estate, FMCG, IT/ITeS, Consulting, and Manufacturing. This year, we are also exploring partnerships with new age industries such as – FinTech, Cybersecurity, Analytics, EV, Green Energy and Sustainability. We cordially invite you all for our Final Placements and Internship season and look forward to addressing your business requirements at our campus."
